Hiring Manager
Google
Bengaluru, India

Dear Hiring Manager,

I am excited to apply for the Frontend Developer position at Google. With a strong foundation in computer science and hands-on experience in building modern web applications, I am confident in my ability to contribute to your team.

I have experience working with React, TypeScript, and Tailwind CSS, and I enjoy creating clean, responsive, and user-friendly interfaces. During my academic journey, I have built several projects that demonstrate my problem-solving skills and passion for web development.

I am particularly drawn to this opportunity at Google because of your commitment to innovation and your impact on users worldwide. I am eager to bring my skills, curiosity, and enthusiasm to your team and contribute to meaningful products.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to Google.

Sincerely,
Tushar Jadhav
